2.1.51
1. A Spanish officer from the SS "Monte Urbasa" named ☐ told friends in Caracas that Otto SKORZENY, Nazi officer known for his part in the rescue of MESSOLINI, is now living in Spain under an assumed name. He resides with his wife in Madrid and travels on business throughout Spain and Portugal using a Spanish passport.
 2. SKORZENY formerly resided in Argentina but moved to Spain several years ago. He is believed to have published several articles on the Korean War in the Madrid newspaper ABC in the early part of 1951. These were written under a pseudonym.
